Fact Sheet: ARNORTH COVID-19 Operations in Texas and California

U.S. Army North, U.S. Northern Command's Joint Force Land Component Command, oversees Department of Defense COVID-19 response operations in support of the Federal Emergency Management Agency (FEMA). From July to September 2020, approximately 740 military medical and support personnel have worked alongside civilian healthcare providers, helping treat COVID-19 patients in Texas and California as part of the whole-of-nation response to the pandemic.

Texas

In Texas, approximately 580 military medical and support personnel from the U.S. Army and U.S. Navy supported FEMA and the state in 15 hospitals in 10 cities:

- Six, 85-person Urban Augmentation Medical Task Forces:
 1. UAMTF-627 from the 627th Hospital Center, Ft. Carson, Colorado, supported five hospitals in San Antonio from July 9 to Sept. 7:
 - 1) Baptist Health Center
 - 2) CHRISTUS Santa Rosa Hospital Medical Center
 - 3) CHRISTUS Santa Rosa Hospital Westover Hills
 - 4) University Hospital
 - 5) Methodist Hospital Metropolitan
 2. UAMTF-MEDCOM from U.S. Army Medical Command, San Antonio, supported United Memorial Medical Center in Houston from July 16 to Sept. 7
 3. UAMTF-16 from the 16th Hospital Center, Ft. Bragg, North Carolina, supported McAllen Medical Center in McAllen from July 19 to Sept. 7
 4. UAMTF 7454-1 from San Antonio, Texas, supported CHRISTUS Spohn Hospital Corpus Christi-Shoreline in Corpus Christi and DeTar Hospital Navarro in Victoria from July 29 to Sept. 7
 5. UAMTF 7458-1 from Nashville, Tennessee, supported Valley Baptist Medical Center-Harlingen and Harlingen Medical Center, both in Harlingen from July 30 to Sept. 22
 6. UAMTF 7452-1 from San Diego, California, supported DHR Health in Edinburg from July 30 to Sept. 7
- One, 44-person U.S. Navy Acute Care Team supported Valley Baptist Medical Center-Harlingen in Harlingen from July 19 to Sept. 7
- Four, seven-person U.S. Navy Rapid Rural Response Teams supported three hospitals in three cities:
 1. RRT1 at Val Verde Regional Medical Center in Del Rio from July 19 to Sept. 7
 2. RRT2 at Fort Duncan Regional Medical Center in Eagle Pass from July 19 to Sept. 22
